<b>Project Title:</b>	<b>The New Europe</b>
-----------------------	-----------------------

**Proposer description:**

The project **The New Europe**, was born from the need to promote knowledge and dissemination of the culture of the peoples of Europe, in particular in the field of music, theater, visual arts, cultural heritage both tangible and intangible, as well as new forms of cultural expression, promoting transnational cooperation between organizations, cultural workers, and cultural institutions of the member states. The project aims to enhance the mobility of art, thanks to the activities of organizations with an European focus for the launch of new talents, as well as the transnational mobility of cultural and creative operators in European countries, channeling works, with the potential to exert a large influence in suitable various cultural and creative sectors, producing important and lasting results over time.

**Project idea:**

*The project **The New Europe**, was born from the need to promote knowledge and dissemination of the culture of the peoples of Europe, in particular in the field of music, theater, visual arts, cultural heritage both tangible and intangible, as well as new forms of cultural expression, promoting transnational cooperation between organizations, cultural workers, and cultural institutions of the member states. The project aims to enhance the mobility of art, thanks to the activities of organizations with an European focus for the launch of new talents, as well as the transnational mobility of cultural and creative operators in European countries, channeling works, with the potential to exert a large influence in suitable various cultural and creative sectors, producing important and lasting results over time.*
