

Project title	“CONFLICT AND PUNISHMENT” - Cultural Project to safeguard of European historical remembrance, the basis to grow the new community of “European Citizens”.
Theme	Starting from the “conflict” pushed to its most absurd consequences, where the concept of “punishment” was born, you get to build the dialogue. For example, in some countries like Germany it could be summed up in the principle of “collective guilt”. This will overcome the two concepts through a new “awareness” of European citizens, which develops cooperation between the actors of the war.
Call for proposal	Europe for Citizen 2014-2020, Strand 1 “European Remembrance”.
Project objectives	<p>The project aims to contribute to citizens' understanding of the Union, its history and diversity.</p> <p>Raise awareness of remembrance, common history and values and the Union’s aim that is to promote peace, its values and the well-being of its peoples by stimulating debate, reflection and development of networks.</p> <p>To know and revive the historical facts will also keep alive the memory of all those who have sacrificed their lives in the name of the common ideals. So the method chosen is a strong emotional impact and we adopt innovative methods of dissemination: will include tools of cultural diffusion such as “Living History”. The objectives will be achieved with heterogeneous initiatives, like the Memorial representation, Workshops, Conferences on specific issues on the theme “Conflict and Punishment”, such as the Shoah, the different woman’s roles in the war. The activities are carried out on the local area but also in other Member States, that years ago were belligerents.</p>
