Programme/call for proposals	**Rights, Equality and Citizenship Programme** Projects to prevent and combat racism, xenophobia, homophobia and other forms of intolerance (HATE) JUST/2014/RRAC/AG
Project's title	European Cities against Cyberhate
Leading partner	City of Toulouse
Outline of the project idea	Faced with the rise of the cyberhate (racism and discrimination on the Internet), ECCAR (European Coalition of Cities Against Racism), the city of Toulouse with the help of LICRA (International League against Racism and Anti-Semitism) have decided to develop a smartphone application which allows everyone to get involved and to reduce racist and discriminating acts
Objectives	➢ Reduce racist and discriminating acts ➢ Cities, citizens and associations empowerment against racism and discriminations
Activities	➢ To provide to European cities and others a IT/networking application so as to alert on all racist acts and incidents ➢ To give everyone a quick and efficient alarm device ➢ To link with authorities who are able to deal with hate crimes
Expected results	➢ To decrease the number of racist acts and racist and discriminating inscriptions ➢ Rise of hate speech online alerts ➢ Better support to victims and witnesses of racism and discrimination ➢ Improvement of respect for all ➢ Expansion of the anti-discrimination mobilisation and cities empowerment ➢ Empowerment of anti-racist and anti-discrimination associations
Budget	Total budget of the call: 3 850 000€ Maximum co-funding rate of EU: 80%
