(Preliminary) Title of the Project	Social inclusion and up skilling of young prisoners and ex-prisoners.
Outline of the project idea	<p>The main focus of the project is dealing with the issue of the low educational level of immigrants who are prisoners, ex-prisoners or have law problems (especially young people at risk) that lead to exclusion from higher levels of education and to social exclusion. The basic problems that these people face are the low level of basic skills and the very incomplete to nonexistent knowledge they have about the language and culture of their host country. The aim of the program is the joint development of a customized curriculum and the pilot blended training (traditional and e-learning) of migrants that are detainees in prisons, ex-prisoners and young people at risk. This program will include a pilot training in the following topics:</p> <ul style="list-style-type: none"> ○ Language ○ National history ○ English language ○ European civilization ○ European citizen's rights ○ Issues of legal residence in the country ○ Protection of migrants' rights <p>The project shall also focus on the education of professionals who support prisoners, ex-prisoners, people with law problems on the use of innovative methodologies and tools which will be project deliverables.</p>
