SUSANNA BÄCKMAN

is a respected and accomplished teacher, school director and consultant from Finland. She has over 20 years of professional management and leadership experience in the Finnish national education sector. She has also served as a board member on the city of Tampere Board of Education and has recently been appointed to the Board of Trustees in the International School of Prague.

Susanna is a specialist in the research and development of new models for pedagogy and educational working and leading practices and regularly works with both directors and teachers in these areas. Her innovations have been successfully adopted by the Finnish national education sector and form the basis for their current operations. Susanna is passionate about education, shared and team leadership, learning environments and human development.
